Homework

Answer exercise 3 on page 99. You can do it in your Learning Log instead of your notebook as it says. You don't need to discuss your information or answers with a classmate (no necesitas comentar la información o respuestas con un compañero, y puedes responder en tu Diario de Aprendizaje).

Additional Resources:

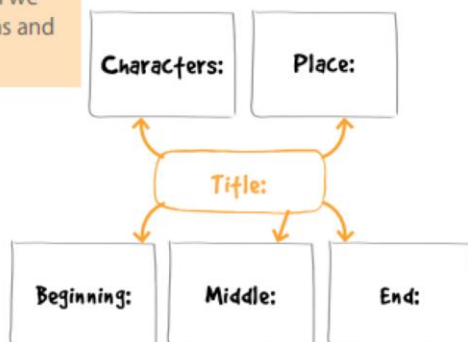

Remember, what is a graphic organizer?

A **graphic organizer** is a visual tool that is useful when we want to express our ideas. It helps us organize them better.

A graphic organizer is also helpful when we read. We can use it to make comparisons and better understand what we read.
